
Registering???

Geschrieben von Pena - 07.12.2017 18:59

I did my registering few weeks ago, and I didn't get any reply.
Still I can login through this forum, not in the normal login form.
Pls could some of the admins look what's the problem.

Hi dude,

i'm sorry, but i can't find any thing wrong...

2017-11-20 21:09:20 since this you are registered..

To get rid of spam acc's the automatic registration is disabled, so you maybe get no mail, but it should work...

pls reply if it doesent work...

THX

Thx Alex, but I can't login from LOGIN FORM.

I get this message: Your account has not yet been approved!
